

ENTRY LEVEL, INTERMEDIATE & EXPERT

We know that having the right equipment and the right products are vital to the success of your Hot Food to Go or Instore Bakery Solution.

Here at Delice we have specially devised the right equipment, and range of products to suit all types and size of retail outlet. All our equipment is modular to work across all store sizes: Entry level, Intermediate and Expert. Our trained retail team will come and visit your store to appraise for the available space, potential sales, and the right product range to suit to make sure you kick off with the best start to your new business addition or developing your existing offer.

Entry Level – where space is tight our countertop units are

perfect for small stores, designed with convenience in mind. Easily display the Delice core range of hot savoury and bakery products.

Intermediate - for medium sized stores, our larger bakery and hot food displays are perfect. Both units are slimline so saving on floor space. Display a wide range of bakery, and hot food to go products.

Expert – for larger stores with high footfall our 8-wicker wire bakery stand and 4 Shelf hot food to go display are ideal maintain your bakery and hot food to go sales throughout the day.

All supported with our Customer Development Representative advising you with training, product labelling and shelf edge labels.
