Terms & Conditions

These Terms and Conditions modify and restrict certain obligations implied by law and limit the extent of liability for breach of contract and/or negligence. They should be carefully considered and any explanation necessary sought before proceeding to order.

The Vendor limits its liability in this way so that Goods can be supplied at a reasonable cost. If liability were not so limited, then the price charged would necessarily increase to cover the cost of undertaking and insuring against unlimited liability. The Purchaser in offering to buy under these Terms and Conditions acknowledges these facts and that accordingly the limitations on liability are fair and reasonable.

WHERE THE GOODS OR SERVICES ARE SOLD UNDER A CONSUMER SALE (AS DEFINED BY THE UNFAIR CONTRACT TERMS ACT 1977) THE STATUTORY RIGHTS OF THE BUYER ARE NOT AFFECTED BY THESE CONDITIONS.

Nothing in these Terms and Conditions shall operate or be construed to operate so as to exclude or restrict the liability of the Vendor for death or personal injury caused by reason of the negligence of the Vendor or of its servants, employees or agents.

1. DEFINITIONS

"Ambient Goods" means Goods which are stored at room temperature.
"Contract" means any contract between the Vendor and the Purchaser for the sale and purchase of the Goods, incorporating these Terms and Conditions.
"Delivery" means delivery of the Goods in accordance with Condition 6.
"Frozen Goods" means any Goods which have undergone a freezing process to reach a core temperature of -18°C or lower following temperature stabilisation.
"Goods" means any goods or products sold or supplied pursuant to these Terms and Conditions.
"Hard Goods" means non-food Goods including but not limited to ovens, trays, stands and packaging.
"Purchaser" means any person firm or company to whom Goods are sold or supplied by the Vendor.
"Vendor" means Delice de France Limited (registered in England and Wales under company number 2148529) also trading as Cuisine De France or any subsidiary or associated company thereof and on whose behalf the obligations of seller are assumed under any contract to which these Terms and Conditions apply.
"Working Day" means any day, other than Sunday or public holiday in England.

2. APPLICATION OF TERMS

- Unless the Vendor expressly accepts other terms and conditions by means of written amendments of these Terms and Conditions signed by an authorised signatory of the Vendor, the Vendor shall supply Goods solely on these Terms and Conditions to the exclusion of any other terms and conditions.
- Any purported variation of the Terms and Conditions whether by endorsement or reference to any purchase order or other document shall have no effect.
- Each telesales or internet order for Goods by the Purchaser from the Vendor shall be deemed to be an offer by the Purchaser to purchase Goods and shall be subject to these Terms and Conditions.
- No such order placed by the Purchaser shall be deemed to be accepted by the Vendor until the Vendor's telesales agent acknowledges the order or (if earlier) the Vendor delivers the Goods to the Purchaser or, in the case of internet orders, the Vendor issues a dispatch confirmation.
- These Terms and Conditions shall apply to all the Vendor's sales of the Goods and any representations about the Goods shall have no effect unless expressly agreed in writing and signed by an authorised signatory of the Vendor.

3. DESCRIPTION

- The quantity and description of the Goods shall be confirmed to the Purchaser by the Vendor's telesales agent or, in the case of internet orders, shall be confirmed in the dispatch confirmation issued in accordance with Condition 2(d) above.
- All samples, drawings, descriptive matter, specifications, and advertising issued by the Vendor and any descriptions or illustrations contained in the Vendor's brochures or on the Vendor's website are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract, and this is not a sale by sample.

4. PRICES

- Unless otherwise agreed by the Vendor in writing, the price for the Goods shall be at prices ruling on the date of despatch which may be varied from time to time without notice at the Vendor's sole and absolute discretion for any of the Goods.
- All prices are subject to alteration without notice where the Vendor is obliged to increase prices through no fault of its own, including but not limited to, as a result of an Excise or other duty or tax or impost levied on relevant Goods; or an increase in the costs of complying with any relevant legislation or standards; or an increase in transportation or raw material costs.

- The prices of Goods shown in any price list are quoted exclusive of Value Added Tax.
- In case of orders under £75 the Vendor shall be entitled to make a minimum order charge or to add a surcharge.

5. ORDERS

- The Vendor does not operate a Sale or Return policy and the orders shall be for the minimum quantities as published by the Vendor from time to time.
- All Goods are sold subject to availability.
- When placing your order, you are confirming that you have checked that the ingredients comply with your requirements. Please also check the ingredients labels on the box when you receive your order.
- The Purchaser shall not, after 5pm on the day before an order is to be delivered by the Vendor, be entitled to cancel suspend or defer any delivery of Goods made by the Vendor.

6. DELIVERY

- Delivery shall be made by carrier or, at the Vendor's option in the case of Hard Goods only, by post.
- Subject always to Condition 6(e) delivery of Goods shall be deemed to have taken place:
 - if the Goods are to be transported by the Vendor or a third party carrier, when the Goods have been offloaded from the transportation vehicle at the premises of the Purchaser or such other premises notified to the Vendor by the Purchaser or the Purchaser's specified agent; or
 - if the Goods are not to be transported by the Vendor or a third party carrier, when notification has been given by the Vendor to the Purchaser that the Goods are ready for collection; or
 - if the Goods are to be transported by mail, four Working Days after posting
- Any dates specified by the Vendor for delivery of the Goods are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time. However, the Vendor will not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, loss of profits, loss of business, depletion of goodwill and like loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Vendor's negligence), nor will any delay entitle the Purchaser to terminate or rescind the Contract unless such delay exceeds 180 days.

- The Vendor shall be entitled where appropriate to deliver any order by one or more consignments and each consignment shall be treated as a separate contract.
- If the Purchaser fails to accept delivery of the Goods or the Vendor is unable to deliver the Goods on time because the Purchaser has not provided appropriate instructions, documents, licences or authorisations:
 - risk in the Goods shall pass to the Purchaser;
 - the Goods shall be deemed to have been delivered; and
 - the Vendor shall at the Vendor's option be entitled to store the goods at the expense and risk of the Purchaser.

7. RISK

Risk in the Goods shall pass to the Purchaser forthwith upon Delivery to the Purchaser in accordance with Condition 6. The Goods shall be at the Purchaser's risk from the time of Delivery notwithstanding that the property in the Goods remains with the Vendor as provided in Condition 10 below.

8. PAYMENT

- Payment for Goods supplied shall be received by the Vendor in full on Delivery. The Vendor may, at its sole discretion and after carrying out all appropriate credit checks in respect of the Purchaser afford credit terms to the Purchaser. In these instances, payment must be made on or before the date as shall be specified on the Vendor's invoice. Cash on delivery to any representative of the Vendor can only be proven and accepted on production of a receipted invoice being furnished by the Purchaser, no claim of cash payment can be entertained subsequently.
- If the Purchaser fails to make payment in accordance with clause 8(a) the Vendor reserves the right to charge the Purchaser:
 - interest on such sum from the payment due date at the annual rate of 8% above the base lending rate from time to time of the Bank of England accruing on a daily basis until payment is made, whether before or after any judgment. We reserve the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998.
 - all third party costs, including collection commission levied at the rate of 10% of the total debt balance.
- The Vendor reserves the right at its absolute discretion to refuse any proof of delivery request older than 3 months. Any request from the Purchaser to the vendor requesting a copy proof of delivery or invoice will be chargeable at a rate of £15 per copy.
- Payment by due date is a condition precedent to future deliveries under any contract between the Vendor and the Purchaser.

Terms & Conditions

- e) All payments to be made by the Purchaser hereunder shall be made in full without any deduction or withholding (other than any deduction or withholding of tax as required by law), and the Purchaser shall not be entitled to claim set-off or to counter-claim against the Vendor in relation to the payment of the *whole* or part of any such amount. Purchasers who have established credit accounts should send payments made payable to Delice de France Limited, Delice House, 149 Brent Road, Southall, Middlesex UB2 5LJ. All payments must be clearly marked with the Purchasers account number and be delivered before the due date.
- f) No payment shall be deemed to have been received until the Vendor has received clear funds.
- g) All payments payable to the Vendor under the Contract shall become due immediately upon termination of the Contract despite any other provision.
